

Health and Safety Policy

CVS recommends that you start with the advice from HSE which will enable you to understand what aspects of Health and Safety law applies to your organisation: <http://www.hse.gov.uk/voluntary/when-it-applies.htm>

There is an easy to follow guide called “Health and Safety Made Simple” that you can access here: <http://www.hse.gov.uk/simple-health-safety/index.htm> This includes a template for a Health and Safety Policy and example risk assessments.

There are also some specific examples that relate to common situations for voluntary organisations here: <http://www.hse.gov.uk/voluntary/index.htm>
